Eleanor Roosevelt High School is a comprehensive high school in Riverside County, California, with an enrollment of over 4,400 students. The school celebrated its ten-year anniversary in 2016. The school's 62-acre campus is nestled in a growing suburban area called Eastvale, in the greater Inland Empire region. The four corners of the school are literally sandwiched between rows of new housing tracks and existing farms and dairies. The 2016-2017 school year welcomed the first class of freshman to the Eastvale STEM Academy; plans to open a multi-level STEM facility on the ERHS campus in 2019-2020 remains in place. This will eventually add another 1000 students to the growing ERHS campus and community at large.

Eleanor Roosevelt High Class of 2017

Over the last ten years, Eleanor Roosevelt High School students have made their mark in various national and state academic award programs such as the National Merit Scholarship Program, the Gates Millennium Scholar program, Boys State, and the prestigious Questbridge College Matching Program.

In 2017, ERHS was again recognized by the *US News & World Report* as one of the state's best high schools, receiving a silver medal for its College Readiness Index, and ranking higher than approximately 90% of the schools in California. In addition, Eleanor Roosevelt High School received regional recognition from the Riverside County Office of Education as a "Model of Excellence" for supporting at-risk and underserved students.

Eleanor Roosevelt High School Mission Statement

The school's mission is to create a dynamic, innovative learning

environment that meets the needs of our diverse student body, guiding students toward excellence in college and career readiness, while challenging them to be responsible citizens.

Students

Eleanor Roosevelt High School supports a diverse student body. Among the 4,400 students enrolled in August 2017, there is a small, but robust, presence of special needs students ages 14-22 who participate in some general education classes and school activities.
